Company Introduction

BIPL Securities Limited (BIPLS) is a full service brokerage house listed on the Pakistan Stock Exchange (PSX). We trace our history back to 1962 when we were incorporated as Khadim Ali Shah Bukhari. We were corporatized in Oct, 1991. The current sponsors took over in May, 2015 and we eventually become BIPLS on Nov 03, 2016. Over the 5 decades of our existence one thing that is constant is the drive for excellence and the desire to do the very best for our clients.

Everything we do, the sole reason for our existence, is to serve our clients across our many product platforms and to help them achieve their investment objectives consistently and in a transparent and ethical manner.

Our efforts in service excellence has been consistently recognized, appreciated and awarded by local and international agencies. We believe that as long as we remain client focused and work for the long term benefit of our clients, the company will continue to grow and all stakeholders will benefit and prosper.

► Business Ethics & Practices

BIPLS is a strong supporter of corporate decorum and ensures that its employees endeavor to maintain highest ethical standards during the discharge of their duties. The Company has adopted a Code of Ethics and Business Practices applicable to all its employees which is regularly circulated within the Company. A summary of the Code is as follows:

Code of Conduct

Employees must act at all times in the Company's best interests and are expected to avoid situations in which their financial or other personal interests or dealings are in conflict with the interests of the Company. Matters involving conflict of interest are prohibited as a matter of policy and any conflict that arises in a specific situation or transaction must be disclosed and resolved.

Gifts or Entertainment

Offering or acceptance of money, gifts, entertainment, loans or any other benefit or preferential treatment is not acceptable from any existing or potential customer, supplier or business associate of the Company, other than occasional gifts of a modest value and entertainment on a modest scale as part of customary business practice.

Bribery

The making or receiving of facilitation payments or inducements such as bribes and similar acts in cash or kind are prohibited and the resources of the Company are not utilized for any such purpose.

Accounting Standards

Compliance with applicable accounting standards and procedures is always necessary. The information supplied to the external auditors, shareholders and other third parties must be complete and not misleading.

Human Resources

Human Resource policies are consistent, transparent and fair and staff members are encouraged to make suggestions or raise business concerns. Selection for employment and promotion is based on objective assessment of ability, qualification and experience, free from discrimination on any grounds. Discrimination on the basis of caste, culture, religion, disability or sex is intolerable.

Compliance with Regulatory Requirements

BIPLS transacts its business in accordance with the applicable laws, rules and regulations and cooperates fully with the government and regulatory bodies.

Confidentiality

Employees are bound to protect the confidentiality of information and are obliged to keep delicate information confidential. Use of Company information for personal gain is strictly prohibited. Confidential information must ONLY be used for the intended purpose.

Community Responsibility

BIPLS aims to operate as a responsible corporate citizen, supporting the communities locally and globally and recognizes its responsibilities towards these communities.

Environmental Responsibility

BIPLS is concerned with the conservation of the environment in its broadest sense, recognizing its role in this respect by maintaining responsibility for the building and land which it occupies and it aims to limit its use of all finite resources.

► Our Policies

No Trading on Possession of Insider Information

No person in BIPLS is permitted to trade in any security, either in his own personal account or in the account of his spouse or dependent children, if he / she is in possession of any inside information and neither should they encourage others to do so including his / her relatives, spouse, dependent children or/and close associates.

Also they should refrain from communicating insider information to any outsider, customer or a third party.

All Dealers shall take extra care in sharing information from the trading desk to clients and should be careful not to disseminate any inside information, whether acquired directly or otherwise, or which may, if disseminated, be construed as a leakage of inside information.

Business Practices

Honesty and integrity are the hallmarks of BIPL Securities (BIPLS) and adherence is expected on part of each employee. BIPLS must compete for business on an honest and open basis – this is integral to ethical behavior.

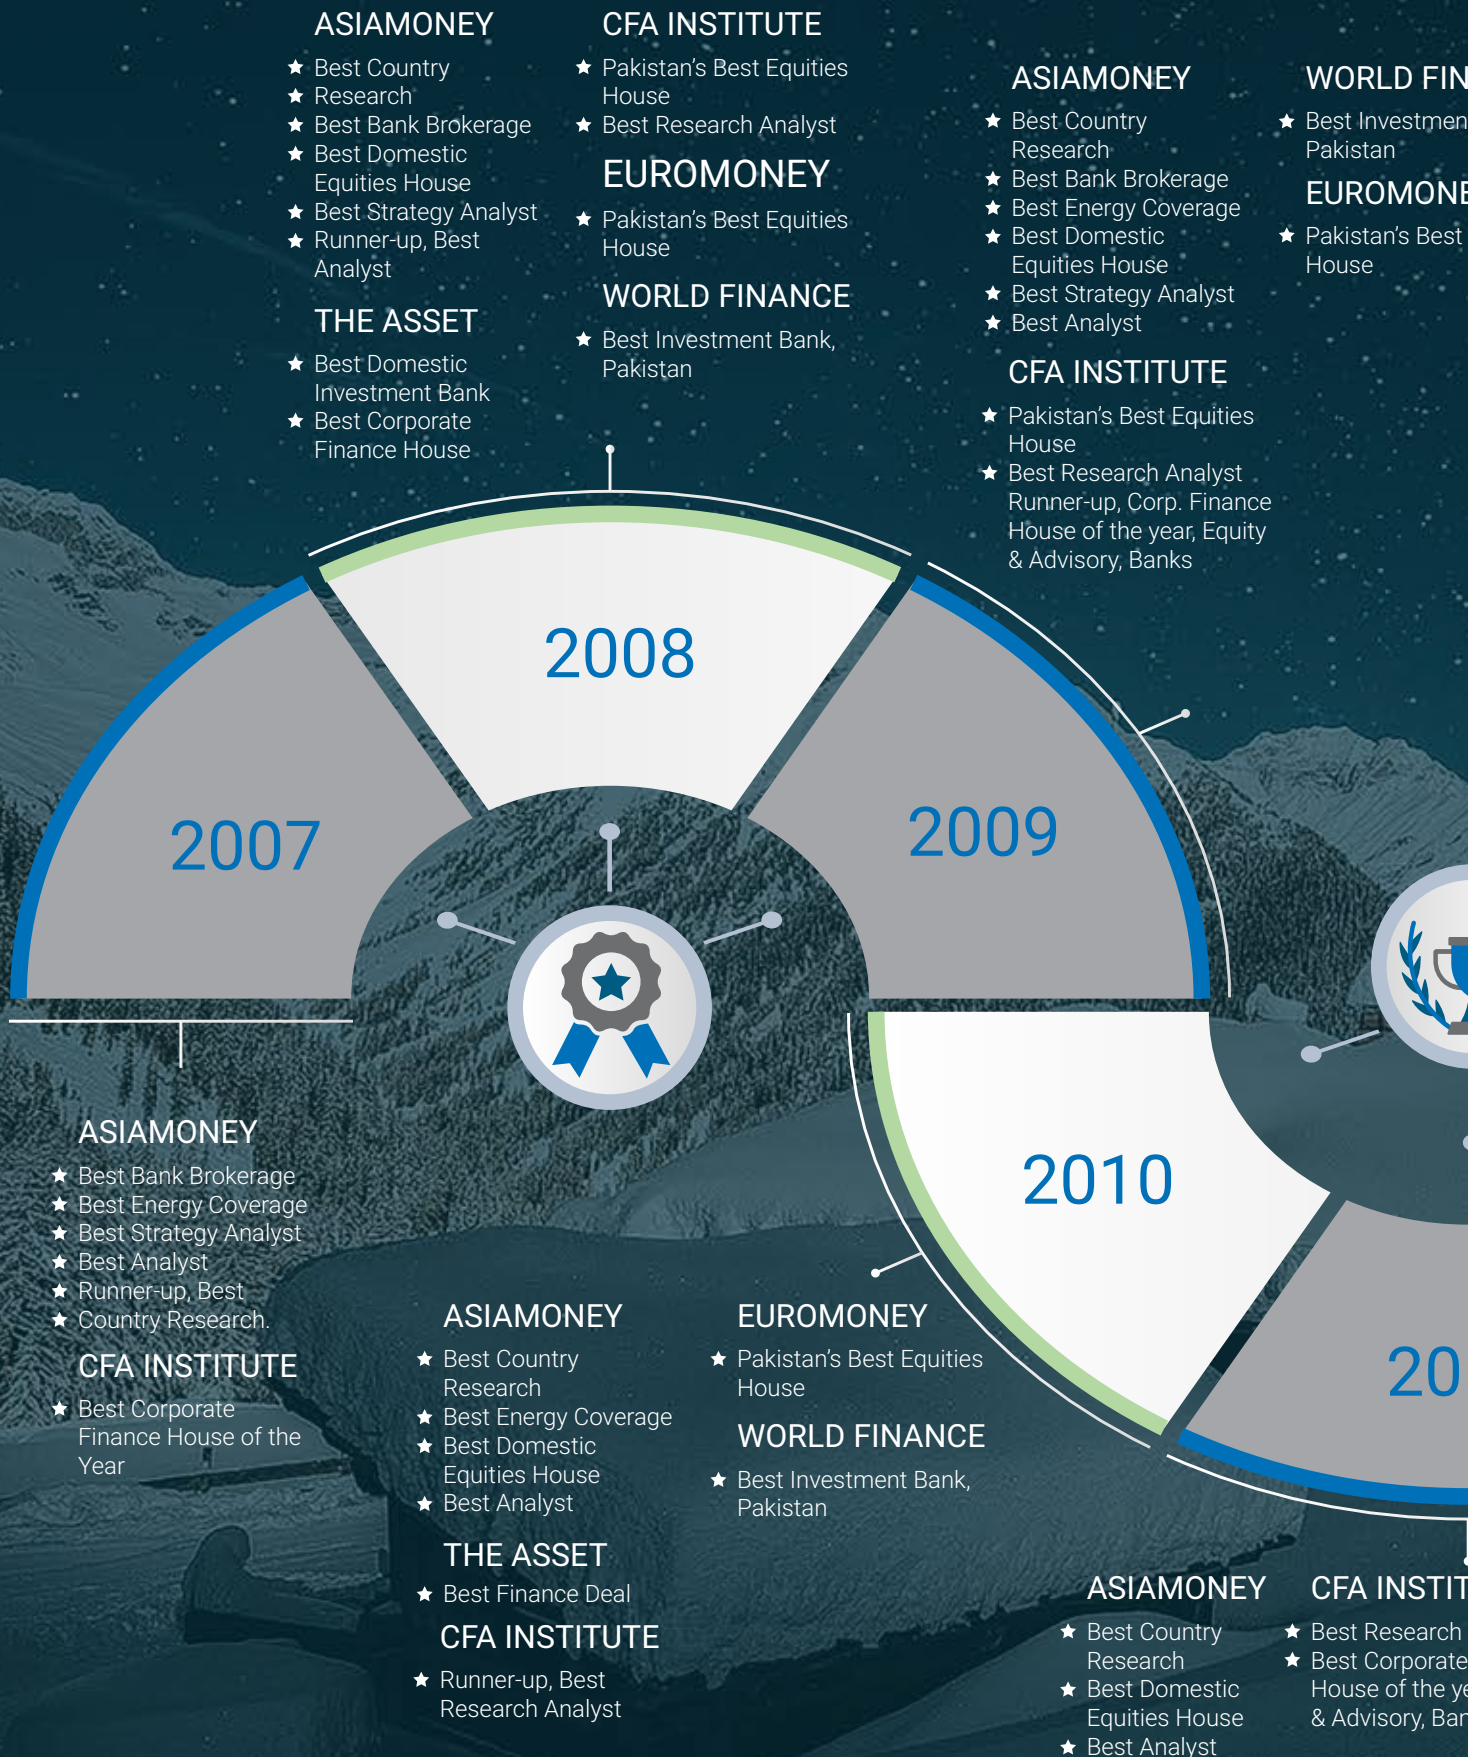

A conflict occurs when an employee's private interest interfaces with the interest of the Company or its clients. No employee shall transact any business on behalf of himself or any person other than BIPLS with any supplier of goods or services to BIPLS in circumstances that could give rise to a conflict of interest or be prejudicial to the company.

In placing or accepting any business and in entering into contracts on behalf of BIPLS, employees are expected to observe the highest standards of integrity and to act in the best interests of the company. Business should not be placed or accepted, or contracts or arrangements entered into, for any improper motive.

No employee shall use the resources of BIPLS for any purpose other than to conduct BIPL's lawful and proper business. In particular, the company's resources must not be used for illegal purposes or for the gain of anyone other than BIPLS. Employees should endeavor to protect the assets of BIPL and its sponsors and customers and ensure efficient utilization in a transparent manner and as per applicable rules and regulations.

► Chairman's Review Report

Kamal Uddin Tipu

It gives me immense pleasure to present this review report to the stakeholders of BIPL Securities Limited on the overall performance of the Board and effectiveness of the role played by the Board in achieving the company's objectives.

The composition of the Board of Directors reflects mix of varied backgrounds and highly experienced individuals in the fields of Finance, Audit, Business and Banking. As required under the Code of Corporate Governance, the Board evaluates its own performance through a mechanism developed by it. The Board is fully involved in company's progress and provides strategic direction to the management and will continue to play its role in ensuring high standards of governance.

The Board of Directors received agendas along with supporting materials in sufficient time prior to the Board and its Committee meetings. The Board has met frequently enough to adequately discharge its responsibilities, duly assisted by its Committees. All the Directors were equally and actively involved in important decisions.

I wish to acknowledge the contribution of Board of Directors and all the employees of BIPL Securities Limited for their hard work, dedication and commitment towards achieving organizational goals.

► CEO Message

Abdul Aziz Anis

2018 has been a challenging year for the entire brokerage industry due to weak market volumes (as compared to previous year) resulting from changing political and economic landscape. We at BIPL Securities Ltd (BIPLS) undertook a host of cost rationalization and revenue stabilization measures in order to improve overall company fundamentals. We feel the true benefits of the hard work done will be visible in 2019 and beyond.

As a business our key strength remains our vast equity retail client base spread over our branch and online network. We feel this is our competitive strength and aim to further build on this going forward. Our commodities brokerage has done exceptionally well YoY and we plan to further consolidate our position here. On the interbank money market and FX side our revenues have been reasonable; however, we are working to further enhance our market share and have initiated measures which we feel will bear fruit in 2019.

The coming year promises to be exciting and we are better prepared to consolidate and strengthen our position as one of the leading brokers in the country.

Last but not least, we would like to express our appreciation for the guidance that the management has received from all our stakeholders, starting from our directors, employees, shareholders, regulators all the way to clients etc. We thank them profusely and look forward to their continued support going forward.

► Corporate Social Responsibility (CSR)

BIPLS continues to be a good corporate citizen, supporting the communities from which it derives its business and recognizing its responsibilities towards all such communities. BIPLS will be supportive of community initiatives across the organization, targeting those most appropriate for each individual community.

The company has integrated CSR into its ethics and business practices. In this context, community and stakeholder needs are carefully assessed and support is extended in line with the company's policies, code of ethics and business objectives. Some of the key CSR activities undertaken by the company include:

Health, Safety and Environment

BIPLS ensures that all its present and future activities are conducted safely without endangering the health and safety of its employees, customers, the public and the environment in which we operate. Our aim is to minimize negative environmental impact and promote green and clean energy as is economically and practically possible.

The Citizens Foundation (TCF) and Support for Education

A TCF delegation was invited to the BIPLS office to give an overview about the work being carried out by the Foundation in the education of underprivileged children across Pakistan.

Impressed by the work done by TCF, the company sponsored the education of one complete classroom for six months. Also, a few senior management personnel in their individual capacities agreed to support individual child's education on monthly basis.

Indus Hospital and Blood Drive

Every day blood transfusions take place that saves lives of many people all over the world. Donating blood is good for the health of donors as well as those who need it.

With this in mind, a team from the Indus Hospital was invited to the office of BIPLS to give a briefing about the activities that the hospital was carrying out in this regard. Also, a blood drive was launched in the company and we are happy to report that a large number of employees actively participated in voluntary blood donation.

Tax Contribution

Taxation is essential for the economic and social development of a country and BIPL Securities takes pride in being a tax compliant company. Over the past decade, the company and its employees contributed approx. PKR 43.84 million to the National Exchequer in the form of taxes.

► Directors' Report To The Members

On behalf of the Board of directors of BIPL Securities Limited (BIPLS), we are pleased to present the audited standalone financial statements of the Company and commentary for the year ended December 31, 2018.

Economic Review

During CY18 Pakistan's economy remained under increasing pressure, with decreasing foreign exchange reserves, increasing trade deficit, rising circular debt and foreign loans taking a toll on macroeconomic health.

Trade numbers for FY18 released during the year showed deficit clocking in at USD 37.7bn, up by 16%YoY as compared to USD32.5bn in FY17. The adverse trade balance was a result of high dependency on imports which went up by 15%YoY in FY18 to USD60.9bn. Meanwhile exports rose by 14%YoY to USD23.2bn during FY18 on account of growing exports of textile, food and petroleum products.

However, due to measures undertaken by the government, trade deficit eased during the second half of CY18 (i.e. 1HFY19), clocking in at USD16.8bn, down by 5%YoY. This improvement in trade balance is due to slight growth in exports of 2%YoY, whereas imports witnessed a decline of 2%YoY to USD 28.04bn.

On the fiscal front the deficit numbers remained elevated at 6.6% for FY18 which was much higher than the government's target of 4.1% for the year. The primary reasons behind the record deficit were high spending by the center and provinces prior to 2018 general elections and a steep decline in tax and non-tax revenues.

The year also saw the country report its highest GDP growth in 13yrs at 5.8% in FY18. This robust growth was achieved while keeping a check on inflationary pressures which remained muted at 3.9% during FY18. Acceleration in GDP growth was supported by a host of factors including low cost of financing, improved energy supplies, favorable business sentiments, fiscal incentives through subsidies and increased access to credit.

Equity Market Review

CY18 was another disappointing year for the stock market with the KSE-100 index posting a negative return of 8.4% YoY to close at 37,067pts in comparison to 15.3%YoY decline in CY17. The market's dull performance during the year was mostly attributable to i) deteriorating macroeconomic environment including uncertainty on the PKR-USD front and twin deficits, ii) heightened political noise prior to general elections 2018, iii) below expectations earnings growth, and iv) incessant foreign sell-offs amid rising US interest rates. Due to these reasons market volumes dried up even further as All Shares ADT (Regular Market) declined by 22%YoY to 185mn.

Debt and Currency Market Review

CY18 saw SBP bumping up the discount rates by 425bps cumulatively which was spread out over 12 months. With market participants preempting this hike, participation was limited to the very short tenor of the maturity curve and the maturing PIBs and T-Bills were not rolled over. Instead, the liquidity was directed towards REPO borrowings as well as corporate lending for work capital requirements where the rates were not locked in. Consequently, the fixed income market also remained dull during the year and banks were left with huge liquid assets and SBP had to intervene from time to time to mop-up unwanted liquidity from the system.

Appointment of External Auditors

The external auditors Messrs. RSM Avais Hyder Liaquat Nauman, Chartered Accountants stand retired following expiry of their tenor. As per the recommendations of the Audit Committee, the Board endorses the re-appointment of Messrs. RSM Avais Hyder Liaquat Nauman, Chartered Accountants as external auditors for the financial year 2019.

Shareholding

The pattern of shareholding as on December 31, 2018 is annexed with the report.

Dividends

In order to accumulate liquidity for expansion and growth prospects, no dividend has been paid during the year.

Future Outlook

CY19 is expected to remain a challenging year for the country as the external account will most likely continue to pose difficulty for the government. Added to this the fiscal deficit is also expected to remain burdensome. On the whole we expect economic growth to slow down from the previous year.

For equities we expect overall market volumes to be lower than the year before while on the debt side we expect the participation in long term papers to pick up gradually as the interest rates cycle peaks out towards the end of CY19.

Your company has initiated a series of cost rationalization and revenue enhancement measures which will start bearing fruit in 2019. We continue to believe that while the short term business environment may be challenging the medium to long term prospects are positive for value creation for all stakeholders of the company.

Acknowledgement

The Board of Directors of your company BIPL Securities Limited wishes to recognize the efforts of all the stakeholders and employees of the company who contributed towards the betterment of the company.

On behalf of the Board of Directors

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of BIPL Securities Limited for the year ended December 31, 2018 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with these Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended December 31, 2018.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at December 31, 2018 and of the loss, other comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No.	Key Audit Matters	How the matter was addressed in our audit
1.	<p>Preparation of the financial statements under the Companies Act, 2017</p> <p>As referred to in note 2.1 to the accompanying financial statements, the Companies Act, 2017 became applicable for the first time for the preparation of the Company's annual financial statements for the year ended 31 December 2018.</p> <p>The Companies Act, 2017 forms an integral part of the statutory financial reporting framework as applicable to the Company and amongst others, prescribes the nature and content of disclosures in relation to various elements of the financial statements.</p> <p>In the case of the Company, specific additional disclosures and changes to the existing disclosures have been included in the financial statements as referred to note 2.1 to the financial statements.</p>	<p>Our audit procedures, amongst others, included the following:</p> <p>We assessed the procedures applied by the management for identification of the changes required in the financial statements due to the application of the Companies Act, 2017.</p> <p>We considered the adequacy and appropriateness of the additional disclosures and changes to the previous disclosures based on the new requirements.</p> <p>We evaluated the sources of information used by the management for the preparation of the above referred disclosures and the internal consistency of such disclosures with other elements of the financial statements.</p>

S. No.	Key Audit Matters	How the matter was addressed in our audit
	<p>The above required changes and enhancements in the financial statements are considered important and a key audit matter because of the significance of the changes in the financial statements resulting from the transition to the new reporting requirements under the Companies Act, 2017.</p>	
2.	<p>Recognition and realization of deferred tax asset</p> <p>As disclosed in note 13, the Company has recognized deferred tax asset amounting to Rs 66.276 million.</p> <p>In order to ascertain that sufficient future taxable profit will be available, the management has prepared future projections of taxable profit by taking into account various assumptions mainly comprising of expected future revenues, business and operational assumptions and timing of reversals.</p> <p>The analysis of the recognition and recoverability of the deferred tax asset was significant to our audit because of the material value of deferred tax asset and because of the assessment of future taxable income involves significant management judgment about future business and economic factors.</p>	<p>Our audit procedures, amongst others, included the following:</p> <p>We obtained an analysis detailing the components of the future income tax balances in light of the Income Tax Ordinance, 2001.</p> <p>We ensured that all deductible/taxable temporary differences, unused tax losses and income tax deductions have been identified, whether recognized or not in prior years from audit of the statement of financial position components and prior years' tax returns.</p> <p>We ensured that the amount recognized for deductible temporary differences, unused tax losses and income tax reductions is limited to the amount which is likely to be realized.</p> <p>We compared on a test basis, the components of deferred tax and analyzed it with the relevant income tax schedules and assessed reasonableness thereof.</p> <p>We checked the reasonableness of allocation of deferred tax between Normal tax regime and Final tax regime in accordance with Income Tax Ordinance, 2001.</p> <p>We tested and documented the process used by management to assess the likelihood of realizing the future tax assets including tax planning strategies.</p> <p>We also assessed the adequacy of the Company's disclosures pertaining to taxes in accordance with applicable financial reporting framework in Pakistan.</p> <p>We determined whether any subsequent events or transactions have occurred upto the date of our report that could affect the likelihood of realizing the future tax assets.</p>
3.	<p>Valuation of Al Jomaih Power Limited (AJPL) - financial asset available for sale</p> <p>The company's financial statements include a significant portion of available for sale investment that comprise mainly investment in unquoted foreign company AJPL. This investment is measured at fair value with the corresponding fair value changes recognized in other comprehensive income.</p> <p>The net asset value is estimated by AJPL on market based methodology.</p> <p>The valuation of investment in AJPL was significant to the audit due to foreign currency risk involved in the investment and in unquoted script.</p>	<p>Our audit procedures, amongst others, included the following:</p> <p>We computed breakup value of shares from AJPL's unaudited financial statements.</p> <p>We obtained confirmation of AJPL confirming the estimated net asset value of BIPL's shareholding in AJPL.</p> <p>We confirmed that at the end of the year, the investment is evaluated and adjusted for any changes in the net asset value by the management.</p> <p>We checked that the investment at the year end has been translated at the appropriate exchange rate and net asset value is calculated on market based methodology.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- (a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- (b) the statement of financial position, the statement of profit or loss, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- (c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- (d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980)
- (e) the Company was in compliance with the requirement of section 78 of the Securities Act 2015, and the relevant requirements of Securities Brokers (Licensing and Operations) Regulations, 2016 as at the date on which the financial position was prepared.

The engagement partner on the audit resulting in this independent auditor's report is Adnan Zaman.

1.2. The Company is a subsidiary of BankIslami Pakistan Limited (the Parent Company) which holds 77.12% of the shares of the Company.

1.3. The Company is a TREC holder of the Pakistan Stock Exchange Limited (PSX) and Corporate member of Pakistan Mercantile Exchange Limited (PMEX) and is principally engaged in the business of stocks, money market, foreign exchange and commodity broking. Other activities include investment in a mix of listed and unlisted equity and debt securities, economic research and advisory services, consultancy and corporate finance.

1.4. These are separate financial statements of the Company in which investment in subsidiary is reported on the basis of direct equity interest and is not consolidated.

2. SIGNIFICANT TRANSACTIONS AND EVENTS AFFECTING THE COMPANY'S FINANCIAL POSITION AND PERFORMANCE

2.1. Due to the first time application of financial reporting requirements under the Companies Act, 2017 (the Act) including disclosures and presentation requirements of the fourth schedule of the Act.

2.2. During the current year equity market volumes dropped significantly from last year which resulted in lower commission and resultantly company incurred operating loss as reflected in Profit and loss account.

3. BASIS OF PREPARATION

3.1. Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of such International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017 (the Act), and provisions of and directives issued under the Companies Act, 2017. Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.2. Basis of measurement

These financial statements have been prepared under the historical cost convention, except for investments which are carried out at fair value as referred to in note 4.4 below.

3.3. Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is Company's functional and presentation currency.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1. Property and equipment

These are stated at cost less accumulated depreciation and impairment, if any. Such costs include the cost of replacing parts of property and equipment when that cost is incurred. Maintenance and normal repairs are charged to income as and when incurred. Depreciation is charged to income over the useful life of the asset on a systematic basis applying the straight line method at the rates specified in note 7 to the financial statements.

Property and equipment are assessed for impairment whenever there is an indication that the same are impaired. Depreciation is charged from the day of purchase and no depreciation is charged from the day of disposal.

An item of property and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

The asset's residual values, useful lives and methods are reviewed and adjusted, if appropriate at each financial year end.

Gains and losses on disposals, if any, of assets are included in income currently.

During the year, the management of the Company has revised its estimate of the useful life of computer and office equipment ranging from 2 to 5 years. The revision has been made after taking in to account the expected pattern of recovery of economic benefit associated with the use of computers and office equipment. The revision has been accounted for as a change in accounting estimate as defined in International Accounting Standard 8, 'Accounting Policies, Changes in Accounting Estimates and Errors'. Had the revision in useful life in respect of computer and office equipments has not been made, depreciation expense included in 'Operating and administrative expenses' would have been higher by Rs. 3.2 million and consequently loss before tax would have been higher by the same amount.

4.2. Intangible assets

Intangible assets with definite useful lives are stated at cost less accumulated amortisation and impairment, if any. Amortisation is charged over the useful life of the asset on a systematic basis to income applying the straight line method at the rate specified in note 8 to the financial statements.

Intangible assets with indefinite useful lives are not amortised. These are annually tested for impairment to assess whether these are in excess of their recoverable amounts, and where the carrying amounts exceeds the estimated recoverable amounts, the carrying amounts are written down to the estimated recoverable amounts.

Intangible assets are assessed for impairment whenever there is an indication that the same are impaired. Costs associated with maintaining assets are recognized as an expense in the period in which these are incurred. Gains and losses on disposals, if any, of assets are included in income currently.

4.3. Investment properties

Investment properties are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation is charged at the rate specified in note 9. Subsequent expenditures, depreciation and gains or losses on disposals are accounted for in the same manner as property and equipment.

4.4. Financial assets

4.4.1. Investments

Investments in subsidiary company is stated at cost less provision for impairment, if any. Other Investments are classified as either 'investments at fair value through profit or loss', 'held-to-maturity' investments or 'available-for-sale' investments, as appropriate.

When investments are recognised initially, these are measured at fair value plus, in the case of investments not at fair value through profit or loss, directly attributable transaction costs.

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which commitment to purchase / sale is made by the Company. Regular way purchases or sales of financial assets are those, the contract for which requires delivery of securities within the time frame generally established by regulation or convention in the market place.

Investments at fair value through profit or loss

Financial assets at fair value through profit or loss are financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit or loss. A financial asset is classified as held for trading if acquired principally for the purpose of selling in the short term.

Available-for-sale

Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless management intends to dispose of the investments within twelve months from the balance sheet date.

The fair value of those investments representing listed equity and other securities i.e. debt instruments, are determined on the basis of year-end prices obtained from stock exchange quotations.

4.4.2. Derivatives

Derivative instruments held by the company primarily comprise of future contracts in the capital market. These are initially recognised at fair value and are subsequently remeasured at fair value. The fair value of future contracts is calculated as being the net difference between the contract price and the closing price reported on the primary exchange of the future contracts. Derivatives with positive market values (unrealised gains) are included in assets and derivatives with negative market values (unrealised losses) are included in liabilities in the balance sheet. The resultant gains and losses are included in the profit and loss account. Derivative financial instrument contracts entered into by the company do not meet the hedging criteria as defined by International Accounting Standard (IAS) '39: 'Financial Instruments: Recognition and Measurement'. Consequently hedge accounting is not being applied by the company.

4.4.3. Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than twelve months after the balance sheet date, which are classified as non-current assets.

4.5. Impairment

The carrying amount of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment of any asset or a group of assets. If any such indication exists, the recoverable amount of that asset is estimated and impairment losses are recognized in the profit and loss account.

4.6. Financial instruments

All the financial assets and financial liabilities are recognised at the time when the company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the Company loses control of the contractual rights that comprise the financial assets. Financial liabilities are derecognised when these are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expired. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to income currently.

4.7. Off-setting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if the Company has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously. Income and expenses arising from such assets and liabilities are also accordingly offset.

4.8. Revenue recognition

- Brokerage income is recognised as and when such services are rendered.
- Financial advisory fees and other income is recognised on an accrual basis.
- Underwriting commission is recognised on accrual basis in accordance with the terms of the agreement.
- Capital gains and losses on sale of securities is recognised as and when transaction occurred.
- Mark-up income, return on bank deposits and balances are recognized on accrual basis.
- Dividend income is recorded when the right to receive the dividend is established.

4.9. Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxation after taking into account tax credits, rebates and tax exemptions available, if any. The charge for the current tax also includes adjustments where necessary, relating to prior years which arise from assessment framed / finalised during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences arising between tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefits will be realized.

Deferred tax is calculated at the rates that are expected to apply to the year when the differences reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to the profit and loss account.

Deferred tax, if any, on revaluation of investments is recognised as an adjustment to surplus arising on revaluation.

4.10. Dividend distributions and appropriations

Dividend distributions and appropriations are recorded in the period in which the distributions and appropriations are approved.

4.11. Employees' benefits

Defined contribution plan

The Company operates a defined contribution plan i.e. recognized provident fund ("the Fund") for all of its eligible employees in accordance with trust deed and rules made there under. Monthly contributions at the rate of 8.33% of basic salary are made to the Fund by the Company and the employees.

Employee compensated absences

The Company allows its management and non-management employees' to avail 30 days annual earned leave. The unutilized portion of the earned leave is neither accumulating nor encashable.

4.12. Cash and cash equivalents

Cash in hand and at banks is carried at cost. For the purposes of cash flow statement, cash and cash equivalents consist of cash in hand and bank balances. For the purposes of statement of cash flows, cash and cash equivalents are presented net of short term borrowings which are repayable on demand or in the short term and form an integral part of the Company's cash management.

4.13. Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange prevailing on the balance sheet date. Gains and losses on translation are taken into income currently. Non-monetary-items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Non-monetary-items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

4.14. Provisions

Provisions are recognized when the Company has the legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made.

4.15. Trade and other receivables

Trade and other receivables are recognised and carried at transaction price less an allowance for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is recognised in the statement of profit or loss. Bad debts are written-off in the statement of profit or loss on identification.

The allowance for doubtful debts of the Company is based on the ageing analysis and management's continuous evaluation of the recoverability of the outstanding receivables. In assessing the ultimate realisation of these receivables, management considers, among other factors, the creditworthiness and the past collection history of each customer.

4.16. Trade and other payables

Trade and other payables are recognized initially at fair value plus directly attributable costs, if any, and subsequently measured at carrying value.

4.17. Ijarah

Ijarah in which a significant portion of the risks and rewards of ownership is retained by the Muj'ir and Ijarah agreement has been entered into are classified as Ijarah. Payments made under Ijarah are charged to profit and loss on a straight-line basis over the period of Ijarah.

5. ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgments, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

The estimates, judgments and assumptions that have significant effect on the financial statements are as follows:

	Note
Useful lives of assets and methods of depreciation and impairment	4.1 to 4.3, 7, 8 & 9
Classification of investments	4.4.1, 10 & 14
Provision for doubtful debts	4.14 & 15.2
Deferred taxation and taxation	4.9, 13 & 30

6. STANDARDS AND IFRIC INTERPRETATIONS THAT ARE NOT YET EFFECTIVE

The following International Financial Reporting Standards (IFRS) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after the dates specified below:

Classification and Measurement of Share-based Payment Transactions - amendments to IFRS 2 clarify the accounting for certain types of arrangements and are effective for annual periods beginning on or after 1 January 2019. The amendments cover three accounting areas (a) measurement of cash-settled share-based payments; (b) classification of share-based payments settled net of tax withholdings; and (c) accounting for a modification of a share-based payment from cash-settled to equity-settled. The new requirements could affect the classification and/or measurement of these arrangements and potentially the timing and amount of expense recognized for new and outstanding awards. The amendments are not likely to have an impact on Company's financial statements.

Transfers of Investment Property (Amendments to IAS 40 'Investment Property' -effective for annual periods beginning on or after 1 January 2019) clarifies that an entity shall transfer a property to, or from, investment property when, and only when there is a change in use. A change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. In isolation, a change in management's intentions for the use of a property does not provide evidence of a change in use. The amendments are not likely to have an impact on Company's financial statements.

Annual Improvements to IFRSs 2014-2016 Cycle [Amendments to IAS 28 'Investments in Associates and Joint Ventures'] (effective for annual periods beginning on or after 1 January 2019) clarifies that a venture capital organization and other similar entities may elect to measure investments in associates and joint ventures at fair value through profit or loss, for each associate or joint venture separately at the time of initial recognition of investment. Furthermore, similar election is available to non-investment entity that has an interest in an associate or joint venture that is an investment entity, when applying the equity method, to retain the fair value measurement applied by that investment entity associate or joint venture to the investment entity associate's or joint venture's interests in subsidiaries. This election is made separately for each investment entity associate or joint venture. The amendments are not likely to have an impact on Company's financial statements.

IFRIC 22 'Foreign Currency Transactions and Advance Consideration' (effective for annual periods beginning on or after 1 January 2019) clarifies which date should be used for translation when a foreign currency transaction involves payment or receipt in advance of the item it relates to. The related item is translated using the exchange rate on the date the advance foreign currency is received or paid and the prepayment or deferred income is recognized. The date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) would remain the date on which receipt of payment from advance consideration was recognized. If there are multiple payments or receipts in advance, the entity shall determine a date of the transaction for each payment or receipt of advance consideration. The application of interpretation is not likely to have an impact on the Company's financial statements.

IFRIC 23 'Uncertainty over Income Tax Treatments' (effective for annual periods beginning on or after 1 January 2019) clarifies the accounting for income tax when there is uncertainty over income tax treatments under IAS 12. The interpretation requires the uncertainty over tax treatment be reflected in the measurement of current and deferred tax. The application of interpretation is not likely to have an impact on Company's financial statements.

IFRS 15 'Revenue from Contracts with Customers' (effective for annual periods beginning on or after 1 January 2019). IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognized. It replaces existing revenue recognition guidance, including IAS 18 'Revenue', IAS 11 'Construction Contracts' and IFRIC 13 'Customer Loyalty Programmes'. The Company is currently in the process of analyzing the potential impact of changes required in revenue recognition policies on adoption of the standard.

IFRS 9 'Financial Instruments' and amendment – Prepayment Features with Negative Compensation (effective for annual periods beginning on or after 1 January 2019). IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement. IFRS 9 includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39. The Company is currently in the process of analyzing the potential impact of changes required in classification and measurement of financial instruments and the impact of expected loss model on adoption of the standard.

IFRS 16 'Leases' (effective for annual period beginning on or after 1 January 2019). IFRS 16 replaces existing leasing guidance, including IAS 17 'Leases', IFRIC 4 'Determining whether an Arrangement contains a Lease', SIC 15 'Operating Leases- Incentives' and SIC-27 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'. IFRS 16 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognizes a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as finance or operating leases. The Company is currently in the process of analyzing the potential impact of its lease arrangements that will result in recognition of right to use assets and liabilities on adoption of the standard.

Amendment to IAS 28 'Investments in Associates and Joint Ventures' - Long Term Interests in Associates and Joint Ventures (effective for annual period beginning on or after 1 January 2019). The amendment will affect companies that finance such entities with preference shares or with loans for which repayment is not expected in the foreseeable future (referred to as long-term interests or 'LTI'). The amendment and accompanying example state that LTI are in the scope of both IFRS 9 and IAS 28 and explain the annual sequence in which both standards are to be applied. The amendments are not likely to have an impact on Company's financial statements.

Amendments to IAS 19 'Employee Benefits'- Plan Amendment, Curtailment or Settlement (effective for annual periods beginning on or after 1 January 2019). The amendments clarify that on amendment, curtailment or settlement of a defined benefit plan, a company now uses updated actuarial assumptions to determine its current service cost and net interest for the period; and the effect of the asset ceiling is disregarded when calculating the gain or loss on any settlement of the plan and is dealt with separately in other comprehensive income. The application of amendments is not likely to have an impact on Company's financial statements.

Annual Improvements to IFRS Standards 2015–2017 Cycle - the improvements address amendments to following approved accounting standards:

IFRS 3 "Business Combinations" and IFRS 11 "Joint Arrangement" - the amendment aims to clarify the accounting treatment when a company increases its interest in a joint operation that meets the definition of a business. A company remeasures its previously held interest in a joint operation when it obtains control of the business. A company does not remeasure its previously held interest in a joint operation when it obtains joint control of the business.

IAS 12 Income Taxes - the amendment clarifies that all income tax consequences of dividends (including payments on financial instruments classified as equity) are recognized consistently with the transaction that generates the distributable profits.

IAS 23 Borrowing Costs - the amendment clarifies that a company treats as part of general borrowings any borrowing originally made to develop an asset when the asset is ready for its intended use or sale.

"The above amendments are effective from annual period beginning on or after 1 January 2019 and are not likely to have an impact on Company's financial statements."

8.1 Pursuant to the promulgation of the Stock Exchanges (Corporatisation, Demutualization and Integration) Act, 2012 (The Act), the ownership in a stock exchange has been segregated from right to trade on the exchange. Accordingly, the Company has received equity shares of PSX and a Trading Right Entitlement Certificate (TRECs) in lieu of its membership card of PSX. The Company's entitlement in respect of PSX's shares is determined on the basis of valuation of assets and liabilities of PSX as approved by the SECP and the Company has been allotted 4,007,383 shares of the face value of Rs 10/- each, out of which 2,404,430 shares were kept in the blocked account and the divestment of the same were made in accordance with the requirements of the Act within two years from the date of Demutualization.

On December 29, 2016, the divestment committee of PSX formed for the purpose has confirmed the sale of 40% equity stake of PSX shares as detailed in Note 10.2.2 to these financial statements.

The cost / book value of the PSX membership card amounts to Rs. 4.95 million as at December 31, 2012. In absence of an active market of the shares of PSX and TREC, the allocation of the carrying value of the membership card between the shares (financial asset) and TREC (an intangible asset) was made by the Company on the basis of the face of ordinary shares and the TREC value assigned by the PSX for minimum capital requirement purpose applicable to the stock exchange brokers.

8.2 The Company has pledged / hypothecated its TREC in favor of PSX to meet the requirement of Base Minimum Capital (BMC) under clause 19.2 of the Risk Management Regulation of PSX Rule Book.

"The net assets of SVPL have reduced due to full impairment of investment of Rs. 81.567 million in an associated company New Horizon Exploration and Production Limited (NHEPL), and provision against advance for purchase of land of Rs. 375 million.

SVPL had given advance against purchase of property of Rs. 375 million which was being developed as a Housing Scheme (the 'Project') by M/s. Noor Developer (Private) Limited (the 'Developer'), the majority shareholder of which is Mr. Arif Ali Shah Bukhari. This amount includes development charges of Rs. 75 million paid to the Developer. The Developer had communicated in the previous years that the Project was pending final approval from the Cantonment Board Korangi Creek (CBKC) for last few years due to modification and revision required by the CBKC in the Project.

During the year 2015, the Developer cancelled provisional booking vide its letter dated June 15, 2015 and in response, SVPL has filed legal suit for specific performance, declaration, injunction, partition and damages in the Sindh High Court.

In addition to the above, as per CBKC letter to Military Lands & Cantonments dated July 04, 2011, the land on which provisional booking was made is not eligible for the type of allotment made to SVPL as per sale agreement dated November 10, 2010 between SVPL and the Developer. Further, the development work on the Project, as communicated by the Developer vide their letter dated December 28, 2013, has also not been undertaken.

Moreover, verification from the Registrar of Housing Society has revealed that no record exists for the said Project, namely Noor Town, situated at survey number 288, 289 and 290 at Deh Korangi Township Karachi. Prima facie a fraud was committed with the Company against which, criminal and civil proceedings have already been initiated.

Considering the facts stated above, the history of this transaction and legal implications, SVPL as a matter of prudence, has fully provided this amount. Hence, the Company's investment in SVPL stands impaired.

On request of the Company for complaints against Criminal Acts of M/s. Noor Developers (Private) Limited, SECP vide its letter dated September 27, 2017, has informed that appropriate steps have been taken as to referring the matter to National Accountability Bureau (NAB) under Section 41-B of Securities and Exchange Commission of Pakistan (Amendment) Act, 2016. On the recommendation/ approval of SECP, NAB has initiated enquiry into the matter.

During the year, the Company has recognized further impairment as the net assets of SVPL has decreased due to operating losses.

However CDC has kept these shares as frozen instead of blocked.

Further, the company has pledged 1,602,694 shares with PSX to meet the requirement of Base Minimum Capital (BMC) under clause 19.2 of the Risk Management Regulations in PSX Rule Book. As of reporting date 1,081,194 shares are still kept in blocked account by CDC as required under sub-regulation (1), (2) & (3) of Regulation 5 of Public offering Regulations, 2017 which will be released in June 2020.

10.2.4 The Company's investment in unquoted shares of Al Jomaih Power Limited (AJPL) incorporated in Cayman Island are valued at its fair value based on the net assets value of the investee Company as at December 31, 2018. The above figures are based on unaudited financial statements. The company holds 1.55% of total issued certificates of AJPL. To date company has received a return of Rs 72mn in forms of dividends and the total amount of investment in foreign currency is \$2.92mn (2017:\$2.92mn).

10.2.5 In year 2015, the management carried out impairment testing of its investment in New Horizon Exploration and Production Limited (NHEPL), as required by IAS 39. The recoverable amount of investment was estimated using "Value in use" approach. In considering the impairment, various business assumptions for estimating cash flows were used, which includes but are not limited to, historical performance of the investment, development and production activity in NHEPL's working interests, recoverability of future cash flows from the investment etc. Based on such analysis, the Company fully impaired its investment in NHEPL and an impairment loss of Rs. 31.63 million was recognised upto year 2016. As of reporting date there is no change in management assumption of recoverability of this investment, accordingly no impairment loss has been reversed.

36. FINANCIAL INSTRUMENTS

Financial Risk Factors

The Company's activities expose it to a variety of financial risks: market risk (interest rate foreign currency and price risk), liquidity risk and credit risk. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance. Overall, risks arising from the company's financial assets and liabilities are limited. The Company consistently manages its exposure to financial risk without any material change from previous periods in the manner described in notes below.

The Board of Directors has overall responsibility for the establishment and oversight of Company's risk management framework. All treasury related transactions are carried out within the parameters of these policies.

36.1 Market Risk

Market risk means that the future cash flows of a financial instrument will fluctuate because of changes in market prices such as foreign exchange rates, equity prices and interest rates. The objective is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The Company's market risk comprises of three types of risk: interest/markup rate risk, foreign exchange or currency risk and equity price risk. The market risks associated with the Company's business activities are discussed as under:

(i) Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect the value of the financial instruments. As of the balance sheet date, the Company is exposed to such risk mainly in respect of bank balances, short term and long term loan. Effective interest rates on such instruments are disclosed in respective notes to the financial statements.

Management of the Company estimates that 1% increase in the market interest rate, with all other factors remaining constant, would increase the Company's total comprehensive income by Rs. 2.91 million (2017: Rs. 3.44 million) and a 1% decrease would result in decrease in the Company's total comprehensive income by the same amount. However, in practice, the actual results may differ from the sensitivity analysis.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of change in foreign exchange rates relates only to the investment in Al Jomaih Power Limited maintained in US dollars amounting to Rs.465.2 million (2017: Rs. 474.8 million) [US dollars 3.35 million (2017: US dollars 4.30 million)].

Management of the Company estimates that 10% increase in the exchange rate between US dollars and Pak Rupees will increase the comprehensive income of the Company by Rs. 46.52 million (2017: Rs. 47.48 million) and 10% decrease in the exchange rate would result in decrease in comprehensive income of the Company by the same amount. Out of this 0.27mn relates to 10% change in NAV whereas Rs 46.25mn relates to 10% change in exchange rates. However, in practice, the actual results may differ from the sensitivity analysis.

(iii) Equity price risk

Equity price risk is the risk of volatility in share prices resulting from their dependence on market sentiments, speculative activities, supply and demand for shares and liquidity in the market. The Company is exposed to price risk because of investments held by the Company and classified on the balance sheet as investments at fair value through profit or loss and available-for-sale investments. The management believes that 10% increase or decrease in the value of investments at fair value through profit and loss, with all other factors remaining constant would result in increase or decrease of the Company's profit by Rs. nil (2017: Rs. 15.2 million) and 10% of such increase or decrease would result in increase or decrease of other comprehensive income by Rs. 2.17 million (2017: 3.59).

36.2 Liquidity risk

Liquidity risk is the risk that an enterprise may encounter difficulty in raising funds to meet commitments associated with financial instruments. The Company manages liquidity risk by following internal guidelines of the company executive committee such as monitoring maturities of financial assets and financial liabilities and investing in liquid financial assets.

On the reporting date, the Company has cash and bank balance Rs. 546.13 million (2017:Rs. 496.97 million) unutilized credit lines Rs. 1,050 million (2017: Rs. 1,150 million) and liquid assets in the form of short term securities Rs. Nil (2017: 152.02 million).

The following are the contractual maturities of financial liabilities, including estimated interest payments:

The table below summaries the maturity profile of the Company's financial liabilities:

36.3 Credit risk

Credit risk is the risk that a party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continuously assessing the credit worthiness of counter parties. The Company seeks to minimise the credit risk exposure through having exposures only to customers considered credit worthy and obtaining securities where applicable. The table below analyses the Company's maximum exposure to credit risk:

37. CAPITAL RISK MANAGEMENT

The Company's objectives when managing capital include:

- Reinforcing Company's ability to continue as a going concern in order to provide returns to all its stakeholders with their corresponding risk profiles;
- Maintaining a strong capital base - resulting in enhancement of Company's business operations.

In order to maintain the balance of its capital structure, the Company may consider adjusting its dividend payouts, controlling non-developmental cash outflows and issuing fresh debt or capital instruments.

The Company monitors capital on the basis of the gearing ratio and its related profitability ratios. Gearing is calculated as debt divided by debt plus equity. Debt represents redeemable capital and other long-term borrowings, if any, as shown in the balance sheet. Equity represents paid-up capital of the Company, general reserve and unappropriated profit and loss.

Net capital requirements of the Company are set and regulated by PSX. These requirements are put in place to ensure sufficient solvency margins and are based on excess of current assets over current liabilities. The Company manages its net capital requirements by assessing its capital structure against required capital level on a regular basis.

38. FAIR VALUE OF FINANCIAL INSTRUMENT

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying value and fair value estimates. The carrying values of all the financial assets and liabilities reflected in the financial statements approximate their fair values.

Under the definition of fair value is the presumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

38.1 Financial Assets Fair Value Hierarchy

All financial instruments carried at fair value are categorised in three categories defined as follows:

Level 1 - quoted prices in active markets for identical assets.

Level 2 - other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 - techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As at December 31, 2018 the Company held the following financial instruments measured at fair value:

	2018			
	Total	Level 1	Level 2	Level 3
	----- (Rupees in '000) -----			
'Available-for-sale' investments	486,939	21,752	-	465,187

Opinion

We have audited the annexed consolidated financial statements of BIPL Securities Limited and its subsidiary, namely Structured Venture Private Limited, (the Group), which comprise the consolidated statement of financial position as at December 31, 2018 and the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of cashflows and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at December 31, 2018 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of the Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No.	Key Audit Matters	How the matter was addressed in our audit
1.	<p>Preparation of the consolidated financial statements under the Companies Act, 2017</p> <p>As referred to in note 2.1 to the accompanying consolidated financial statements, the Companies Act, 2017 became applicable for the first time for the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2018.</p> <p>The Companies Act, 2017 forms an integral part of the statutory financial reporting framework as applicable to the Group and amongst others, prescribes the nature and content of disclosures in relation to various elements of the consolidated financial statements.</p> <p>In the case of the Group, specific additional disclosures and changes to the existing disclosures have been included in the consolidated financial statements as referred to note 2.1 to the consolidated financial statements.</p>	<p>Our audit procedures, amongst others, included the following:</p> <p>We assessed the procedures applied by the management for identification of the changes required in the consolidated financial statements due to the application of the Companies Act, 2017.</p> <p>We considered the adequacy and appropriateness of the additional disclosures and changes to the previous disclosures based on the new requirements.</p> <p>We evaluated the sources of information used by the management for the preparation of the above referred disclosures and the internal consistency of such disclosures with other elements of the consolidated financial statements.</p>

S. No.	Key Audit Matters	How the matter was addressed in our audit
	<p>The above required changes and enhancements in the consolidated financial statements are considered important and a key audit matter because of the significance of the changes in the consolidated financial statements resulting from the transition to the new reporting requirements under the Companies Act, 2017.</p>	
2.	<p>Recognition and realization of deferred tax asset</p> <p>As disclosed in note 14, the Group has recognized deferred tax asset amounting to Rs 66.276 million.</p> <p>In order to ascertain that sufficient future taxable profit will be available, the management has prepared future projections of taxable profit by taking into account various assumptions mainly comprising of expected future revenues, business and operational assumptions and timing of reversals.</p> <p>The analysis of the recognition and recoverability of the deferred tax asset was significant to our audit because of the material value of deferred tax asset and because of the assessment of future taxable income involves significant management judgment about future business and economic factors.</p>	<p>Our audit procedures, amongst others, included the following:</p> <p>We obtained an analysis detailing the components of the future income tax balances in light of the Income Tax Ordinance, 2001.</p> <p>We ensured that all deductible/taxable temporary differences, unused tax losses and income tax deductions have been identified, whether recognized or not in prior years from audit of the consolidated statement of financial position components and prior years' tax returns.</p> <p>We ensured that the amount recognized for deductible temporary differences, unused tax losses and income tax reductions is limited to the amount which is likely to be realized.</p> <p>We compared on a test basis, the components of deferred tax and analyzed it with the relevant income tax schedules and assessed reasonableness thereof.</p> <p>We checked the reasonableness of allocation of deferred tax between Normal tax regime and Final tax regime in accordance with Income Tax Ordinance, 2001.</p> <p>We tested and documented the process used by management to assess the likelihood of realizing the future tax assets including tax planning strategies.</p> <p>We also assessed the adequacy of the Group's disclosures pertaining to taxes in accordance with applicable financial reporting framework in Pakistan.</p> <p>We determined whether any subsequent events or transactions have occurred upto the date of our report that could affect the likelihood of realizing the future tax assets.</p>
3.	<p>Valuation of Al Jomaih Power Limited (AJPL) - financial asset available for sale</p> <p>The Group's financial statements include a significant portion of available for sale investment that comprise mainly investment in unquoted foreign company AJPL. This investment is measured at fair value with the corresponding fair value changes recognized in other comprehensive income.</p> <p>The net asset value is estimated by AJPL on market based methodology.</p> <p>The valuation of investment in AJPL was significant to the audit due to foreign currency risk involved in the investment and in unquoted script.</p>	<p>Our audit procedures, amongst others, included the following:</p> <p>We computed breakup value of shares from AJPL's unaudited financial statements.</p> <p>We obtained confirmation of AJPL confirming the estimated net asset value of Group's shareholding in AJPL.</p> <p>We confirmed that at the end of the year, the investment is evaluated and adjusted for any changes in the net asset value by the management.</p> <p>We checked that the investment at the year end has been translated at the appropriate exchange rate and net asset value is calculated on market based methodology.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide the Board of Directors with the statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

For the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public benefits of such communications.

The engagement partner on the audit resulting in this independent auditor's report is Adnan Zaman.

A handwritten signature in blue ink, appearing to read 'Adnan Zaman', is written over a faint, circular blue stamp.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

1. STATUS AND NATURE OF BUSINESS

The Group comprises of:

- Holding Company-BIPL Securities Limited (BIPLS)
- Subsidiary Company-Structured Venture (Private) Limited (SVPL)

1.1 BIPLS was incorporated in Pakistan on October 24, 2000 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017) and commenced its operations effective January 1, 2003, on the transfer of assets and liabilities of the securities segment of the then Khadim Ali Shah Bukhari and Company Limited under a Scheme of Arrangement approved by the High Court of Sindh. The shares of the holding company are listed on the Pakistan Stock Exchange Limited (PSX). The registered office of the holding company is situated at 5th Floor, Trade Centre, I.I. Chundrigar Road, Karachi. The branch offices of holding company are situated at;

- 90-91, Razia Plaza, Jinnah Avenue, Blue Area, Islamabad.
- 2nd Floor Fountain Avenue, Building 64-A, Main Boulevard, Main Gulberg, Lahore.
- 1st Floor, State Life Building, 34-The Mall, Peshawar Cantt, Peshawar.
- Friends Paradise, 1st Floor, SB-36, Block No. 13-D, KDA Scheme-24, Main University Road, Karachi
- Room No 93,94,95, Pakistan Stock Exchange, Building Stock Exchange Road, Karachi.
- Room # 509 & 510, 5th Floor, State Life Building, Liaquat Road, Faisalabad
- 81, Ground Floor, GDA Trust Plaza, Gujranwala.
- Ground Floor, City Tower, Shahabpura Road, Sialkot.
- Ground Floor, State Life Building, Abdali Road, Multan.
- Plot # 29, City Park Chowk, Town Hall Road, Rahim Yar Khan.

1.2 The Group is a subsidiary of BankIslami Pakistan Limited (the Ultimate Parent Holding Company) which holds 77.12% of the shares of the Group.

1.3 The holding company is a TREC holder of the Pakistan Stock Exchange Limited (PSX) and Corporate member of Pakistan Mercantile Exchange Limited (PMEX) and is principally engaged in the business of stocks, money market, foreign exchange and commodity broking. Other activities include investment in a mix of listed and unlisted equity and debt securities, economic research and advisory services, consultancy and corporate finance.

Subsidiary company was incorporated in Pakistan on June 25, 2010 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). The registered office of the holding company is situated at 5th Floor, Trade Centre, I.I. Chundrigar Road, Karachi.

Subsidiary is wholly owned by BIPL Securities Limited.

Subsidiary's core objective is to capitalize opportunities across different asset classes, including but not limited to, commodities, structured products, real estate etc. In addition, the company can, subject to regulatory approvals, invest / participate in selected local and foreign business ventures.

The following additional disclosures was made in the subsidiary's financial statements which has no material impact on group's financial statements.

At present, the subsidiary has no operational activities, except to pursue the legal case against M/s. Noor Developer (Private) Limited (the Developer) for the purchase of investment property of Rs 375 million due to the following reason:

The Developer had communicated in the previous years that the Project was pending final approval from the Cantonment Board Korangi Creek (CBKC) for last few years due to modification and revision required by the CBKC in the Project. During the year 2015, the Developer canceled provisional booking vide its letter dated June 15, 2015 and in response, the subsidiary has filed legal suit for specific performance, declaration, injunction, petition and damages in the Sindh High Court.

In addition to the above, as per CBKC letter to Military Lands & Cantonments dated July 04, 2011, the land on which provisional booking was made is not eligible for the type of allotment made to the subsidiary as per sale agreement dated November 10, 2010 between the subsidiary and the Developer. Further, the development work on the Project, as communicated by the Developer vide their letter dated December 28, 2013, has also not been undertaken.

Moreover, verification from the Registrar of Housing Society has revealed that no record exists for the said Project, namely Noor Town, situated at survey number 288, 289 and 290 at Deh Korangi Township Karachi. Prima facie a fraud was committed with the subsidiary against which, criminal and civil proceedings have already been initiated.

Considering the facts stated above, the history of this transaction and legal implications, the subsidiary as a matter of prudence, has decided to fully provide this amount.

Further, the subsidiary's management made its investment in New Horizon Exploration and Production Limited (NHEPL), which was fully impaired in 2015 due to the fact that the subsidiary will not be able to recover cash flows from such investment.

The above said amounts of investment property and long term investment were the substantial assets of the subsidiary which constituted more than 99% of the total assets of the subsidiary. The subsidiary does not have sufficient cash flows, equity and other means to operate the company, therefore the board of directors of subsidiary have decided to prepare subsidiary's financial statements on other than going concern basis (net realisable basis).

The Carrying value of assets and liabilities of the subsidiary as at December 31, 2018 is equivalent to the realizable value.

2. SIGNIFICANT TRANSACTIONS AND EVENTS AFFECTING THE COMPANY'S FINANCIAL POSITION AND PERFORMANCE

2.1. Due to the first time application of financial reporting requirements under the Companies Act, 2017 (the Act) including disclosures and presentation requirements of the fourth schedule of the Act.

2.2. During the current year equity market volumes dropped significantly from last year which resulted in lower commission and resultantly the group incurred operating loss as reflected in Profit and loss account.

3. BASIS OF PREPARATION

3.1. Statement of compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017 (the Act), and provisions of and directives issued under the Companies Act, 2017. Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.2. Basis of measurement

These consolidated financial statements have been prepared under the historical cost convention, except for investments which are carried out at fair value as referred to in note 4.4 below.

3.3. Functional and presentation currency

These consolidated financial statements are presented in Pakistani Rupees, which is Group's functional and presentation currency.

3.4. Basis of consolidation

The Financial Statements of the subsidiary are included in the consolidated financial statements from the date of the control commences until the date control ceases. In preparing consolidated financial statements, the financial statements of the holding company and the subsidiary are consolidated on a line by line basis by adding together the items of assets, liabilities, income and expenses. All intercompany transactions have been eliminated.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1. Property and equipment

These are stated at cost less accumulated depreciation and impairment, if any. Such costs include the cost of replacing parts of property and equipment when that cost is incurred. Maintenance and normal repairs are charged to income as and when incurred. Depreciation is charged to income over the useful life of the asset on a systematic basis applying the straight line method at the rates specified in note 7 to the financial statements.

Property and equipment are assessed for impairment whenever there is an indication that the same are impaired. Depreciation is charged from the day of purchase and no depreciation is charged from the day of disposal.

An item of property and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

The asset's residual values, useful lives and methods are reviewed and adjusted, if appropriate at each financial year end.

Gains and losses on disposals, if any, of assets are included in income currently.

During the year, the management of the holding company has revised its estimate of the useful life of computer and office equipment ranging from 2 to 5 years. The revision has been made after taking in to account the expected pattern of recovery of economic benefit associated with the use of computers and office equipment. The revision has been accounted for as a change in accounting estimate as defined in International Accounting Standard 8, 'Accounting Policies, Changes in Accounting Estimates and Errors'. Had the revision in useful life in respect of computer and office equipments has not been made, depreciation expense included in 'Operating and administrative expenses' would have been higher by Rs. 3.2 million and consequently loss before tax would have been higher by the same amount.

4.2. Intangible assets

Intangible assets with definite useful lives are stated at cost less accumulated amortisation and impairment, if any. Amortisation is charged over the useful life of the asset on a systematic basis to income applying the straight line method at the rate specified in note 8 to the financial statements.

Intangible assets with indefinite useful lives are not amortised. These are annually tested for impairment to assess whether these are in excess of their recoverable amounts, and where the carrying amounts exceeds the estimated recoverable amounts, the carrying amounts are written down to the estimated recoverable amounts.

Intangible assets are assessed for impairment whenever there is an indication that the same are impaired. Costs associated with maintaining assets are recognized as an expense in the period in which these are incurred. Gains and losses on disposals, if any, of assets are included in income currently.

4.3. Investment properties

Investment properties are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation is charged at the rate specified in note 9. Subsequent expenditures, depreciation and gains or losses on disposals are accounted for in the same manner as property and equipment.

4.4. Financial assets

4.4.1. Financial assets

Investments are classified as either 'investments at fair value through profit or loss', 'held-to-maturity' investments or 'available-for-sale' investments, as appropriate.

When investments are recognised initially, these are measured at fair value plus, in the case of investments not at fair value through profit or loss, directly attributable transaction costs.

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which commitment to purchase / sale is made by the Group. Regular way purchases or sales of financial assets are those, the contract for which requires delivery of securities within the time frame generally established by regulation or convention in the market place.

Investments at fair value through profit or loss

Financial assets at fair value through profit or loss are financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit or loss. A financial asset is classified as held for trading if acquired principally for the purpose of selling in the short term.

Available-for-sale

Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless management intends to dispose of the investments within twelve months from the balance sheet date.

The fair value of those investments representing listed equity and other securities i.e. debt instruments, are determined on the basis of year-end prices obtained from stock exchange quotations.

4.4.2. Derivatives

Derivative instruments held by the holding company primarily comprise of future contracts in the capital market. These are initially recognised at fair value and are subsequently remeasured at fair value. The fair value of future contracts is calculated as being the net difference between the contract price and the closing price reported on the primary exchange of the future contracts. Derivatives with positive market values (unrealised gains) are included in assets and derivatives with negative market values (unrealised losses) are included in liabilities in the balance sheet. The resultant gains and losses are included in the profit and loss account. Derivative financial instrument contracts entered into by the holding company do not meet the hedging criteria as defined by International Accounting Standard (IAS) '39: Financial Instruments: Recognition and Measurement'. Consequently hedge accounting is not being applied by the holding company.

4.4.3. Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than twelve months after the balance sheet date, which are classified as non-current assets.

4.5. Impairment

The carrying amount of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment of any asset or a group of assets. If any such indication exists, the recoverable amount of that asset is estimated and impairment losses are recognized in the profit and loss account.

4.6. Financial instruments

All the financial assets and financial liabilities are recognised at the time when the company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the Company loses control of the contractual rights that comprise the financial assets. Financial liabilities are derecognised when these are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expired. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to income currently.

4.7. Off-setting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if the group has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously. Income and expenses arising from such assets and liabilities are also accordingly offset.

4.8. Revenue recognition

- Brokerage income is recognised as and when such services are rendered.
- Financial advisory fees and other income is recognised on an accrual basis.
- Underwriting commission is recognised on accrual basis in accordance with the terms of the agreement.
- Capital gains and losses on sale of securities is recognised as and when transaction occurred.
- Mark-up income, return on bank deposits and balances are recognized on accrual basis.
- Dividend income is recorded when the right to receive the dividend is established.

4.9 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxation after taking into account tax credits, rebates and tax exemptions available, if any. The charge for the current tax also includes adjustments where necessary, relating to prior years which arise from assessment framed / finalised during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences arising between tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefits will be realized.

Deferred tax is calculated at the rates that are expected to apply to the year when the differences reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to the profit and loss account.

Deferred tax, if any, on revaluation of investments is recognised as an adjustment to surplus arising on revaluation.

4.10. Dividend distributions and appropriations

Dividend distributions and appropriations are recorded in the period in which the distributions and appropriations are approved.

4.11 Employees' benefits

Defined contribution plan

The holding company operates a defined contribution plan i.e. recognized provident fund ("the Fund") for all of its eligible employees in accordance with trust deed and rules made there under. Monthly contributions at the rate of 8.33% of basic salary are made to the Fund by the Company and the employees.

Employee compensated absences

The holding company allows its management and non-management employees' to avail 30 days annual earned leave. The unutilized portion of the earned leave is neither accumulating nor encashable.

4.12 Cash and cash equivalents

Cash in hand and at banks is carried at cost. For the purposes of cash flow statement, cash and cash equivalents consist of cash in hand and bank balances. For the purposes of statement of cash flows, cash and cash equivalents are presented net of short term borrowings which are repayable on demand or in the short term and form an integral part of the group's cash management.

4.13 Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange prevailing on the balance sheet date. Gains and losses on translation are taken into income currently. Non monetary-items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

4.14 Provisions

Provisions are recognized when the group has the legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made.

4.15 Trade and other receivables

Trade and other receivables are recognised and carried at transaction price less an allowance for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the group will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is recognised in the statement of profit or loss. Bad debts are written-off in the statement of profit or loss on identification.

The allowance for doubtful debts of the group is based on the ageing analysis and management's continuous evaluation of the recoverability of the outstanding receivables. In assessing the ultimate realisation of these receivables, management considers, among other factors, the creditworthiness and the past collection history of each customer.

4.16 Trade and other payables

Trade and other payables are recognized initially at fair value plus directly attributable costs, if any, and subsequently measured at carrying value.

4.17 Ijarah

Ijarah in which a significant portion of the risks and rewards of ownership is retained by the Muj'ir and Ijarah agreement has been entered into are classified as Ijarah. Payments made under Ijarah are charged to profit and loss on a straight-line basis over the period of Ijarah.

5. ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgments, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

The estimates, judgments and assumptions that have significant effect on the financial statements are as follows:

Useful lives of assets and methods of depreciation and impairment	4.1 to 4.3, 7, 8 & 9
Classification of investments	4.4.1, 11 & 15
Provision for doubtful debts	4.14 & 16.2
Deferred taxation and taxation	4.9, 14 & 31

6. STANDARDS AND IFRIC INTERPRETATIONS THAT ARE NOT YET EFFECTIVE

The following International Financial Reporting Standards (IFRS) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after the dates specified below:

Classification and Measurement of Share-based Payment Transactions - amendments to IFRS 2 clarify the accounting for certain types of arrangements and are effective for annual periods beginning on or after 1 January 2019. The amendments cover three accounting areas (a) measurement of cash-settled share-based payments; (b) classification of share-based payments settled net of tax withholdings; and (c) accounting for a modification of a share-based payment from cash-settled to equity-settled. The new requirements could affect the classification and/or measurement of these arrangements and potentially the timing and amount of expense recognized for new and outstanding awards. The amendments are not likely to have an impact on group's financial statements.

Transfers of Investment Property (Amendments to IAS 40 'Investment Property' -effective for annual periods beginning on or after 1 January 2019) clarifies that an entity shall transfer a property to, or from, investment property when, and only when there is a change in use. A change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. In isolation, a change in management's intentions for the use of a property does not provide evidence of a change in use. The amendments are not likely to have an impact on group's financial statements.

Annual Improvements to IFRSs 2014-2016 Cycle [Amendments to IAS 28 'Investments in Associates and Joint Ventures'] (effective for annual periods beginning on or after 1 January 2019) clarifies that a venture capital organization and other similar entities may elect to measure investments in associates and joint ventures at fair value through profit or loss, for each associate or joint venture separately at the time of initial recognition of investment. Furthermore, similar election is available to non-investment entity that has an interest in an associate or joint venture that is an investment entity, when applying the equity method, to retain the fair value measurement applied by that investment entity associate or joint venture to the investment entity associate's or joint venture's interests in subsidiaries. This election is made separately for each investment entity associate or joint venture. The amendments are not likely to have an impact on group's financial statements.

IFRIC 22 'Foreign Currency Transactions and Advance Consideration' (effective for annual periods beginning on or after 1 January 2019) clarifies which date should be used for translation when a foreign currency transaction involves payment or receipt in advance of the item it relates to. The related item is translated using the exchange rate on the date the advance foreign currency is received or paid and the prepayment or deferred income is recognized. The date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) would remain the date on which receipt of payment from advance consideration was recognized. If there are multiple payments or receipts in advance, the entity shall determine a date of the transaction for each payment or receipt of advance consideration. The application of interpretation is not likely to have an impact on the group's financial statements.

IFRIC 23 'Uncertainty over Income Tax Treatments' (effective for annual periods beginning on or after 1 January 2019) clarifies the accounting for income tax when there is uncertainty over income tax treatments under IAS 12. The interpretation requires the uncertainty over tax treatment be reflected in the measurement of current and deferred tax. The application of interpretation is not likely to have an impact on group's financial statements.

IFRS 15 'Revenue from Contracts with Customers' (effective for annual periods beginning on or after 1 January 2019). IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognized. It replaces existing revenue recognition guidance, including IAS 18 'Revenue', IAS 11 'Construction Contracts' and IFRIC 13 'Customer Loyalty Programmes'. The group is currently in the process of analyzing the potential impact of changes required in revenue recognition policies on adoption of the standard.

IFRS 9 'Financial Instruments' and amendment – Prepayment Features with Negative Compensation (effective for annual periods beginning on or after 1 January 2019). IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement. IFRS 9 includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39. The group is currently in the process of analyzing the potential impact of changes required in classification and measurement of financial instruments and the impact of expected loss model on adoption of the standard.

IFRS 16 'Leases' (effective for annual period beginning on or after 1 January 2019). IFRS 16 replaces existing leasing guidance, including IAS 17 'Leases', IFRIC 4 'Determining whether an Arrangement contains a Lease', SIC 15 'Operating Leases- Incentives' and SIC-27 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'. IFRS 16 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognizes a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as finance or operating leases. The group is currently in the process of analyzing the potential impact of its lease arrangements that will result in recognition of right to use assets and liabilities on adoption of the standard.

Amendment to IAS 28 'Investments in Associates and Joint Ventures' - Long Term Interests in Associates and Joint Ventures (effective for annual period beginning on or after 1 January 2019). The amendment will affect companies that finance such entities with preference shares or with loans for which repayment is not expected in the foreseeable future (referred to as long-term interests or 'LTI'). The amendment and accompanying example state that LTI are in the scope of both IFRS 9 and IAS 28 and explain the annual sequence in which both standards are to be applied. The amendments are not likely to have an impact on group's financial statements.

Amendments to IAS 19 'Employee Benefits'- Plan Amendment, Curtailment or Settlement (effective for annual periods beginning on or after 1 January 2019). The amendments clarify that on amendment, curtailment or settlement of a defined benefit plan, a company now uses updated actuarial assumptions to determine its current service cost and net interest for the period; and the effect of the asset ceiling is disregarded when calculating the gain or loss on any settlement of the plan and is dealt with separately in other comprehensive income. The application of amendments is not likely to have an impact on group's financial statements.

Annual Improvements to IFRS Standards 2015–2017 Cycle - the improvements address amendments to following approved accounting standards:

IFRS 3 "Business Combinations" and IFRS 11 "Joint Arrangement" - the amendment aims to clarify the accounting treatment when a group increases its interest in a joint operation that meets the definition of a business. A group remeasures its previously held interest in a joint operation when it obtains control of the business. A group does not remeasure its previously held interest in a joint operation when it obtains joint control of the business.

IAS 12 Income Taxes - the amendment clarifies that all income tax consequences of dividends (including payments on financial instruments classified as equity) are recognized consistently with the transaction that generates the distributable profits.

IAS 23 Borrowing Costs - the amendment clarifies that the group treats as part of general borrowings any borrowing originally made to develop an asset when the asset is ready for its intended use or sale.

"The above amendments are effective from annual period beginning on or after 1 January 2019 and are not likely to have an impact on Group's financial statements."

8.1 Pursuant to the promulgation of the Stock Exchanges (Corporatisation, Demutualization and Integration) Act, 2012 (The Act), the ownership in a stock exchange has been segregated from right to trade on the exchange. Accordingly, the holding company has received equity shares of PSX and a Trading Right Entitlement Certificate (TREC) in lieu of its membership card of PSX. The holding company's entitlement in respect of PSX's shares is determined on the basis of valuation of assets and liabilities of PSX as approved by the SECP and the holding company has been allotted 4,007,383 shares of the face value of Rs 10/- each, out of which 2,404,430 shares were kept in the blocked account and the divestment of the same were made in accordance with the requirements of the Act within two years from the date of Demutualization.

On December 29, 2016, the divestment committee of PSX formed for the purpose has confirmed the sale of 40% equity stake of PSX shares as detailed in Note 11.2.2 to these financial statements.

The cost / book value of the PSX membership card amounts to Rs. 4.95 million as at December 31, 2012. In absence of an active market of the shares of PSX and TREC, the allocation of the carrying value of the membership card between the shares (financial asset) and TREC (an intangible asset) was made by the holding company on the basis of the face of ordinary shares and the TREC value assigned by the PSX for minimum capital requirement purpose applicable to the stock exchange brokers.

8.2 The holding company has pledged / hypothecated its TREC in favor of PSX to meet the requirement of Base Minimum Capital (BMC) under clause 19.2 of the Risk Management Regulation of PSX Rule Book.

9.1 During the year the holding company had transferred its Investment properties comprise of Room No. 93, 94 and 95, First Floor, Pakistan Stock Exchange Building, off I.I. Chundrigar Road, Karachi to own property. The said transfer was made on March 31, 2018 in accordance with applicable IFRS.

10. ADVANCE AGAINST PURCHASE OF PROPERTY

	2018	2017
	----- (Rupees in '000) -----	
Advance paid for purchase of land:		
- in Korangi Housing Scheme, Karachi	375,000	-
Less: Provision	(375,000)	-
Balance as at December 31, 2018	-	-

This represents advance for purchase of land which was being developed as a Housing Scheme (the 'Project') by M/s. Noor Developer (Private) Limited (the 'Developer'), the majority shareholder of which is Mr. Arif Ali Shah Bukhari. This amount includes development charges of Rs. 75 million paid to the Developer. The Developer had communicated in the previous years that the Project was pending final approval from the Cantonment Board Korangi Creek (CBKC) for last few years due to modification and revision required by the CBKC in the Project.

During the year 2015, the Developer canceled provisional booking vide its letter dated June 15, 2015 and in response, the subsidiary has filed legal suit for specific performance, declaration, injunction, partition and damages in the Sindh High Court.

In addition to the above, as per CBKC letter to Military Lands & Cantonments dated July 04, 2011, the land on which provisional booking was made is not eligible for the type of allotment made to the subsidiary as per sale agreement dated November 10, 2010 between the subsidiary and the Developer. Further, the development work on the Project, as communicated by the Developer vide their letter dated December 28, 2013, has also not been undertaken.

Moreover, verification from the Registrar of Housing Society has revealed that no record exists for the said Project, namely Noor Town, situated at survey number 288, 289 and 290 at Deh Korangi Township Karachi. Prima facie a fraud was committed with the subsidiary against which, criminal and civil proceedings have already been initiated.

Considering the facts stated above, the history of this transaction and legal implications, the subsidiary as a matter of prudence, has decided to fully provide this amount.

On request of the subsidiary for complaints against Criminal Acts of M/s. Noor Developers (Private) Limited, SECP vide its letter dated September 27, 2017, has informed that appropriate steps have been taken as to referring the matter to National Accountability Bureau (NAB) under Section 41-B of Securities and Exchange Commission of Pakistan (Amendment) Act, 2016. On the recommendation/ approval of SECP, NAB has initiated enquiry into the matter.

To date holding company has received a return of Rs 72mn in forms of dividends and the total cost of investment in foreign currency is \$2.92mn (2017:\$2.92mn).

11.2.5 In year 2015, the management carried out impairment testing of its investment in New Horizon Exploration and Production Limited (NHEPL), as required by IAS 39. The recoverable amount of investment was estimated using "Value in use" approach. In considering the impairment, various business assumptions for estimating cash flows were used, which includes but are not limited to, historical performance of the investment, development and production activity in NHEPL's working interests, recoverability of future cash flows from the investment etc. Based on such analysis, the holding company fully impaired its investment in NHEPL and an impairment loss of Rs. 31.63 million was recognised upto year 2016. As of reporting date there is no change in management assumption of recoverability of this investment, accordingly no impairment loss has been reversed.

37. FINANCIAL INSTRUMENTS

Financial Risk Factors

The group's activities expose it to a variety of financial risks: market risk (interest, foreign currency and price risk), liquidity risk and credit risk. The group's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance. Overall, risks arising from the group's financial assets and liabilities are limited. The group consistently manages its exposure to financial risk without any material change from previous periods in the manner described in notes below.

The Board of Directors has overall responsibility for the establishment and oversight of group's risk management framework. All treasury related transactions are carried out within the parameters of these policies.

37.1 Market Risk

Market risk means that the future cash flows of a financial instrument will fluctuate because of changes in market prices such as foreign exchange rates, equity prices and interest rates. The objective is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The group's market risk comprises of three types of risk: interest, foreign exchange or currency risk and equity price risk. The market risks associated with the group's business activities are discussed as under:

(i) Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect the value of the financial instruments. As of the balance sheet date, the group is exposed to such risk mainly in respect of bank balances, short term and long term loan. Effective interest rates on such instruments are disclosed in respective notes to the consolidated financial statements.

Management of the group estimates that 1% increase in the market interest rate, with all other factors remaining constant, would increase the group's total comprehensive income by Rs. 2.91 million (2017: Rs. 3.44 million) and a 1% decrease would result in decrease in the group's total comprehensive income by the same amount. However, in practice, the actual results may differ from the sensitivity analysis.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The group's exposure to the risk of change in foreign exchange rates relates only to the investment in Al Jomaih Power Limited maintained in US dollars amounting to Rs.465.2 million (2017: Rs. 474.8 million) [US dollars 3.35 million (2017: US dollars 4.30 million)].

Management of the group estimates that 10% increase in the exchange rate between US dollars and Pak Rupees will increase the comprehensive income of the group by Rs. 46.52 million (2017: Rs. 47.48 million) and 10% decrease in the exchange rate would result in decrease in comprehensive income of the group by the same amount. Out of this 0.27 million relates to 10% change in NAV whereas Rs 46.25 million relates to 10% change in exchange rates. However, in practice, the actual results may differ from the sensitivity analysis.

(iii) Equity price risk

Equity price risk is the risk of volatility in share prices resulting from their dependence on market sentiments, speculative activities, supply and demand for shares and liquidity in the market. The group is exposed to price risk because of investments held by the group and classified on the balance sheet as investments at fair value through profit or loss and available-for-sale investments. The management believes that 10% increase or decrease in the value of investments at fair value through profit and loss, with all other factors remaining constant would result in increase or decrease of the group's profit by Rs. nil (2017: Rs. 15.2 million) and 10% of such increase or decrease would result in increase or decrease of other comprehensive income by Rs. 2.17 million (2017: Rs 3.59 million).

37.2 Liquidity risk

Liquidity risk is the risk that an enterprise may encounter difficulty in raising funds to meet commitments associated with financial instruments. The group manages liquidity risk by following internal guidelines of the group executive committee such as monitoring maturities of financial assets and financial liabilities and investing in liquid financial assets.

On the reporting date, the group has cash and bank balance Rs. 546.13 million (2017:Rs. 496.97 million) unutilized credit lines of Rs. 1,050 million (2017: Rs. 1,150 million) and liquid assets in the form of short term securities Rs. Nil (2017: Rs 152.02 million).

The following are the contractual maturities of financial liabilities, including estimated interest payments:

The table below summaries the maturity profile of the Company's financial liabilities:

37.3 Credit risk

Credit risk is the risk that a party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The group attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continuously assessing the credit worthiness of counter parties. The group seeks to minimise the credit risk exposure through having exposures only to customers considered credit worthy and obtaining securities where applicable. The table below analyses the group's maximum exposure to credit risk:

38. CAPITAL RISK MANAGEMENT

The Group's objectives when managing capital include:

- Reinforcing group's ability to continue as a going concern in order to provide returns to all its stakeholders with their corresponding risk profiles;
- Maintaining a strong capital base - resulting in enhancement of group's business operations.

In order to maintain the balance of its capital structure, the group may consider adjusting its dividend payouts, controlling non-developmental cash outflows and issuing fresh debt or capital instruments.

The group monitors capital on the basis of the gearing ratio and its related profitability ratios. Gearing is calculated as debt divided by debt plus equity. Debt represents redeemable capital and other long-term borrowings, if any, as shown in the balance sheet. Equity represents paid-up capital of the group, general reserve and unappropriated profit and loss.

Net capital requirements of the group are set and regulated by PSX. These requirements are put in place to ensure sufficient solvency margins and are based on excess of current assets over current liabilities. The group manages its net capital requirements by assessing its capital structure against required capital level on a regular basis.

39. FAIR VALUE OF FINANCIAL INSTRUMENT

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying value and fair value estimates. The carrying values of all the financial assets and liabilities reflected in the financial statements approximate their fair values.

Under the definition of fair value is the presumption that the group is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

39.1 Financial Assets Fair Value Hierarchy

All financial instruments carried at fair value are categorised in three categories defined as follows:

Level 1 - quoted prices in active markets for identical assets.

Level 2 - other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 - techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As at December 31, 2018 the Group held the following financial instruments measured at fair value:

	2018			
	Total	Level 1	Level 2	Level 3
	----- (Rupees in '000) -----			
'Available-for-sale' investments	486,939	21,752	-	465,187

بیرونی آڈیٹر کا تقرر

بیرونی آڈیٹرز میسرز اولیس حیدر لیاقت نعمان چارٹرڈ اکاؤنٹنٹس اپنی مدت کی تکمیل پر ریٹائر ہو گئے۔ آڈٹ کمیٹی کی سفارشات پر بورڈ مالی سال 2019 کیلئے میسرز اولیس حیدر لیاقت نعمان چارٹرڈ اکاؤنٹنٹس کی دوبارہ تقرری کی تائید کرتا ہے۔

شیئر ہولڈنگ

ڈیوڈنڈ

ادارے کی توسیع و ترقی کیلئے مجموعی لیکو ڈٹی کے سلسلے میں بورڈ نے سال کے دوران کوئی ڈیوڈنڈ نہ دینے کا فیصلہ کیا ہے۔

مستقبل کا منظر نامہ

ملک کو 2019 میں بھی چیلنجز کا سامنا ہوگا جبکہ بیرونی اکاؤنٹس کی مد میں حکومت کو مزید مشکلات کا سامنا ہوگا۔ مالی خسارہ بھی مشکل کا سبب رہے گا۔ مجموعی طور پر معاشی نمو میں پچھلے سال کی بہ نسبت کمی رہے گی۔ ایکویٹی مارکیٹ کے کاروبار کا حجم کم رہنے کی امید ہے۔ جبکہ قرضے کی مارکیٹ میں طویل مدتی پیپر میں بتدریج دلچسپی بڑھے گی کیونکہ شرح سود میں اضافہ 2019 کے آخر میں اپنی بلند سطح کو چھو لے گا۔ آپ کی کمپنی نے اخراجات میں کمی اور آمدن میں اضافے کے لیے اقدامات کیے ہیں جن کے ثمرات 2019 میں نظر آئیں گے۔ ہمیں یقین ہے کہ چیلنجز کا یہ دورانیہ مختصر مدت کا ہوگا جبکہ درمیانی مدت سے طویل مدت کے دوران امکانات روشن ہوں گے۔

اعتراف

بی آئی پی ایل سیکورٹیز شیئر ہولڈرز اور ملازمین کی کاوشوں کا اعتراف کرتا ہے جنہوں نے کمپنی کی فلاح میں اپنا حصہ ڈالا۔

- ☆ بورڈ آف ڈائریکٹرز نے اس بات کو یقینی بنایا ہے کہ اپنی تمام ذمہ داریوں، اختیارات اور عملداری کے دائرہ کار سے متعلق قانون پر مکمل طور پر اور باقاعدگی سے عملدرآمد کیا جائے۔ مزید برآں کمپنی سیکریٹری، سی ایف او اور ہیڈ آف انٹرنل آڈٹ کا تقرر کوڈ کی شرائط کے مطابق کیا گیا ہے۔
- ☆ گذشتہ سال بنیادی عملی اور مالیات معلومات صفحہ 27۔۔ پر درج ہیں۔
- ☆ 31 دسمبر 2018 پر آپ کی کمپنی کے ذمہ قانونی ادائیگیوں، ٹیکسز، ڈیوٹیز، محصولات اور چارجز کی مد میں کوئی واجبات نہیں سوائے ان کے جو مالیاتی بیانیے میں ظاہر کیے گئے ہیں۔
- ☆ متعلقہ پارٹی کے لین دین کی تفصیلات آڈٹ کمیٹی کو پیش کی گئیں اور ان کی سفارشات درج کی گئی ہیں۔
- ☆ کمپنی اپنے اہل ملازمین کے لیے منظور شدہ کنٹریبیوٹری پروویڈنٹ فنڈ کا انتظام چلاتی ہے۔ غیر آڈٹ شدہ مالیاتی بیانیے برائے 31 دسمبر 2018 کے مطابق انویسٹمنٹ کی قدر تقریباً 51.157 ملین پاکستانی روپے ہے۔
- ☆ بیلنس شیٹ کی تاریخ اور ڈائریکٹرز رپورٹ کی تاریخ کے درمیان کوئی حقیقی تبدیلی نہیں ہوئی اور کوئی وعدے نہیں کیے گئے جو آپ کی کمپنی کی مالیاتی حیثیت پر اثر انداز ہو۔

کارپوریٹ سماجی ذمہ داریاں

برادرانہ ذمہ داریاں: بی آئی پی ایل ایس ایک اچھے کاروباری شہری ہونے کے ناطے ان برادریوں کا خیال رکھتی ہے، جن سے ان کا کاروبار وابستہ ہے اور ایسی تمام کمیونٹیز کے ساتھ تعاون کرتی ہے۔ بی آئی پی ایل ایس پورے ادارے میں کمیونٹی کے اقدامات کیلئے تعاون جاری رکھے گی جو ہر کمیونٹی کے لیے مناسب ترین ہو۔

ماحولیات کے بارے میں ذمہ داریاں

بی آئی پی ایل ایس وسیع ماحولیاتی تحفظ کیلئے بھی فکر مند ہے اور اس ضمن میں اپنی ذمہ داریوں کا ادراک کرتے ہوئے عمارت اور زمین سے متعلق محدود وسائل اور خاص طور پر انرجی کے استعمال میں احتیاط کو مد نظر رکھتی ہے۔

- ☆ بی آئی پی ایل ایس، فلاحی اور کاروباری معاملات میں مربوط کارپوریٹ سماجی ذمہ داری ادا کر رہا ہے۔ اس حوالے سے برادریوں اور شراکت داروں کی ضروریات کو پرکھا جاتا ہے اور مدد فراہم کی جاتی ہے۔
- ☆ 2018 میں مربوط کارپوریٹ سماجی ذمہ داری (CSR) کی سرگرمیوں کا احوال درج ذیل ہے۔

☆ ضابطوں کی پاسداری: کمپنی اور اسکے ملازمین نے ٹیکسوں کی صورت میں قومی خزانے میں ٹیکس کی مد میں 43.84 ملین پاکستانی روپے جمع کرائے۔

کارپوریٹ گورننس

- ڈائریکٹرز اس بات کی تصدیق کرتے ہیں کہ کارپوریٹ اور مالیاتی رپورٹنگ فریم ورک میں سکیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان (SECP) کے درج ذیل کوڈ آف کارپوریٹ گورننس کی پیروی کی گئی ہے۔
- ☆ کمپنی کے حساب کتاب اور کھاتوں کو درست طور پر مرتب کیا گیا ہے۔
 - ☆ کمپنی کی انتظامیہ کی جانب سے تیار کردہ مالیاتی ”بیانیوں“ میں کمپنی کے معاملات، آپریشنز کے نتائج، نقد قومات کے بہاؤ اور ایکویٹی میں تبدیلیوں کو شفاف طور پر پیش کیا گیا ہے۔
 - ☆ مالیاتی بیانیوں اور حسابات کی تخمینہ کاری کی تیاری میں ہر جگہ موزوں اکاؤنٹنگ پالیسی کا ہمہ وقت استعمال کیا گیا اور حسابات کے تخمینوں میں معقولیت اور دانائی پر مبنی فیصلے کیے گئے۔
 - ☆ مالیاتی بیانیے پاکستان میں کمپنیز ایکٹ 2017 کے تحت لاگو اور منظور شدہ حسابات کے معیار اور کمیشن کے جاری کردہ ہدایات کے مطابق تیار کئے گئے ہیں۔
 - ☆ اندرونی نظم و نسق کے نظام پر مؤثر عملدرآمد پر مستقل بنیادوں پر نگاہ رکھی جاتی ہے۔
 - ☆ کمپنی مالیاتی اعتبار سے مستحکم ہے اور سرگرم عمل ہے اور یہ کہ اسکے سرگرم عمل رہنے کی صلاحیت میں کسی قسم کا کوئی شبہ نہیں ہے۔
 - ☆ لسٹنگ ریکولیشنز میں تفصیلاً درج کارپوریٹ گورننس کے بہترین اصولوں پر عملداری سے کوئی انحراف نہیں کیا گیا۔
 - ☆ بورڈ آف ڈائریکٹرز کی تشکیل کوڈ آف کارپوریٹ گورننس کی بہترین عملداری کے تحت کی گئی ہے۔
 - ☆ ایگزیکٹو ڈائریکٹرز کی تعداد منتخب ڈائریکٹرز کی تعداد کے ایک تہائی سے زیادہ نہیں ہے۔ بورڈ آف ڈائریکٹرز کی تشکیل کی تفصیلات ذیل میں درج کی گئی ہیں۔

۱۔ بگڑتی ہوئی میکرو اکنامکس صورتحال، غیر یقینی کی صورتحال، دو بڑے خسارے (ii) الیکشن سے پہلے سیاسی ابتری (iii) گرتی ہوئی آمدن (iv) غیر ملکی فنڈز کا مسلسل نیچے کا رجحان۔ اس وجہ سے مارکیٹ کا حجم کم ہوا اور اسکے علاوہ ADT کے حصص باقاعدگی سے مارکیٹ میں 22 فیصد yoy سے 185 ملین تک کمی واقع ہوئی۔

قرضہ اور کرنسی مارکیٹ کا دائرہ

اسٹیٹ بینک نے مجموعی طور پر ان 12 مہینوں میں ڈسکاؤنٹ ریٹ میں 425bps کا اضافہ کیا۔ اضافے کے اس رجحان کو دیکھتے اور محسوس کرتے ہوئے مالیاتی اداروں کی جانب سے صرف قلیل مدتی انویسٹمنٹ میں شراکت دیکھی گئی جبکہ طویل مدتی پی آئی بی اور T-Bill میں شراکت نظر نہیں آئی، نتیجتاً فکسڈ انکم مارکیٹ میں کاروبار کا رجحان مندا رہا اور بینکوں کے پاس مائع سرمایہ وافر مقدار میں موجود رہا جسے صحیح طریقے سے استعمال کیلئے اسٹیٹ بینک وقتاً فوقتاً اپنا اثر و رسوخ استعمال کرتا رہا۔

ڈائریکٹرز جائزہ رپورٹ برائے ممبران

بی آئی پی ایل سیکورٹیز (بی آئی پی ایل ایس) کے بورڈ آف ڈائریکٹرز کی جانب سے کمپنی کے مالیاتی گوشواراجات برائے 2018ء پیش کرتے ہوئے انتہائی مسرت محسوس کر رہا ہوں۔

معاشی جائزہ

2018ء میں پاکستان کی معاشی صورتحال مجموعی طور پر دباؤ کا شکار رہی، جہاں زرمبادلہ کے ذخائر بتدریج کم ہوتے رہے۔ تجارتی خسارہ میں تیزی سے اضافہ ہوا، گردش قرضوں میں اضافہ ہوا اور غیر ملکی قرضوں نے معاشی صورتحال کو خاصہ خراب کیا۔

مالی سال 2018ء کے دوران خسارہ 37.7 ارب ڈالر ریکارڈ کیا گیا جو کہ 2017 کے مالی سال کے خسارہ 32.5 ارب ڈالر کی بہ نسبت 16% YoY زیادہ تھا۔ اس تجارتی خسارہ کے بڑھنے کی بنیادی وجہ ہماری درآمدات میں اضافہ تھا جو 2018 میں 15% YoY اضافے کے ساتھ 60.908 ارب ڈالر ریکارڈ کیا گیا۔ دریں اثناء برآمدات 14% YoY کے اضافے کے ساتھ 23.2 ارب ڈالر ریکارڈ کی گئیں۔ برآمدات میں اضافہ، ٹیکسٹائل، فوڈ اور پیٹرولیم مصنوعات کی وجہ سے نظر آئیں۔

بہر حال حکومتی اقدامات کے باعث تجارتی خسارہ رواں مالی سال کے پہلے حصے میں 5% YoY سے کم ہو کر 16.8 ارب ڈالر ہو گئی۔ اس بہتری کا سبب ہماری برآمدات میں اضافہ تھا، جس میں اس عرصے میں 2% کا اضافہ ہوا جبکہ درآمدات میں 2% کمی کے ساتھ 28.4 ارب ڈالر ریکارڈ کی گئیں۔

مالی سال 2018ء کے دوران مالیاتی خسارہ 6.6% کی بلند سطح پر ریکارڈ کیا گیا جو کہ حکومتی هدف 4.1% کے مقابلے میں زیادہ تھا۔ جس کی بنیادی وجہ 2018ء کے عام انتخابات سے قبل مرکز اور صوبوں کے اخراجات میں اضافہ اور آمدن میں کمی تھی۔

معاشی ترقی کی رفتار 5.86 فیصد ریکارڈ کی گئی جو کہ گذشتہ 13 سالوں کے درمیان سب سے تیز رہی جس کی بنیادی وجہ افراط زر کا کنٹرول تھا جو کہ 3.96 فیصد ریکارڈ کی گئی۔ معاشی ترقی کی اس رفتار کی بنیادی وجہ آسان سرمائے کی دستیابی، انرجی کی بہترین ترسیل، بزنس کیلئے حوصلہ افزاء جذبات، مالیاتی ترغیبات وغیرہ شامل ہیں۔

ایکیوٹی مارکیٹ جائزہ

سال 2018 اشاک مارکیٹ کے لیے اچھا ثابت نہیں ہوا کیونکہ KSE-100 انڈیکس نے منفی 8.4% ریٹرن دیا اور مارکیٹ کی اس سست کارکردگی کی وجہ درج ذیل ہیں

ڈائریکٹرز کی Consolidated مالیاتی دستاویز پر رپورٹ

بورڈ آف ڈائریکٹرز BIPL سکیورٹیز لمیٹڈ اور اس کی کل ملکیتی ذیلی کمپنی اسٹرکچر ڈوٹچر (پرائیویٹ) لمیٹڈ کے مجموعی مالیاتی اسٹیٹمنٹس کے 31 دسمبر 2018 کو اختتام پذیر کی consolidated رپورٹ پیش کرتا ہے۔

گروپ کے زیر جائزہ مجموعی مالیاتی اسٹیٹمنٹس کے 31 دسمبر 2018 کو اختتام پذیر کی Consolidated رپورٹ کا خلاصہ درج ذیل ہے:

2017	2018	
----- (000 روپے) -----		
82,638	(41,521)	قبل از ٹیکس منافع
(44,595)	14,562	ٹیکس
38,043	(26,959)	بعد از ٹیکس منافع
--	--	سال کے دوران میں ادا شدہ ڈیویڈنڈ
(456,875)	(418,832)	عمر مرتب شدہ نقصان گذشتہ سے پیوستہ
(418,832)	(445,791)	مجموعی نقصان
----- (000 روپے) -----		
0.38	(0.27)	(نقصان) / فی شیئر آمدنی

ایکویٹی میں تبدیلی کا خلاصہ

کلینڈر سال 2018 میں گروپ کا بعد از ٹیکس (نقصان) / منافع (26.959) ملین پاکستانی روپے، نقصان فی شیئر (0.27) رہا جبکہ کلینڈر سال 17 میں بعد از ٹیکس منافع 38.043 ملین، فی شیئر آمدنی 0.38 تھا۔

گروپ بزنس کے مفادات کی نوعیت میں تبدیلی کا خلاصہ

BIPL سکیورٹیز لمیٹڈ اور اسٹرکچر ڈوٹچر (پرائیویٹ) لمیٹڈ اپنی بنیادی نوعیت کی کاروباری سرگرمیوں میں مصروف عمل ہے اور ان کے کاروباری مفادات کی نوعیت میں کوئی تبدیلی نہیں ہوئی اور نہ ہی کاروبار کے درجہ میں۔

شیئر ہولڈنگ پیٹرن

چیئرمین کے تاثرات رپورٹ

میں بی آئی پی ایل سیکورٹیز کے بورڈ کی مجموعی کارکردگی اور کمپنی کے تنظیمی مقاصد کے حصول کیلئے بورڈ کی مجموعی کارکردگی کی رپورٹ اپنے کھاتے داروں کو پیش کرتے ہوئے انتہائی خوش محسوس کر رہا ہوں۔

بورڈ آف ڈائریکٹرز کی نمائندگی انتہائی تجربہ کار لوگوں کی عکاس ہے جن کا تجربہ، مالیاتی، آڈٹ، کاروبار اور بینکنگ کے شعبے سے ہے۔ کوڈ آف کارپوریٹ گورننس کے اصولوں کے مد نظر بورڈ کے اندر اپنی کارکردگی کا جائزہ لینے کا ایک خود کار نظام موجود ہے۔ یہ بورڈ کمپنی کی ترقی اور مینجمنٹ کی رہنمائی میں اپنا مؤثر کردار ادا کر رہا ہے اور اعلیٰ قدروں کے لئے اپنا کردار ادا کرتا رہے گا۔

بورڈ کو مینجنگ ایجنڈا کے متعلق تمام دستاویز وقت سے پہلے موصول ہو گئے تھے۔ بورڈ نے اپنی کمیٹیوں کی مدد سے تمام ذمہ داریوں کو احسن طریقے سے ادا کیا۔ تمام ڈائریکٹرز نے کمپنی کے تمام فیصلوں میں بھرپور اور مساویانہ حصہ لیا۔

یہاں میں کمپنی کے مقاصد کے حصول کے لیے کمپنی کے تمام بورڈ ممبرز، اس کے ملازمین کی لگن اور انتھک محنت کا تہہ دل سے اعتراف کرتا ہوں۔
